Can't Find the Information You're looking For?

If you have looked in the **ELIS Catalogue** for information, or for a resource you want to use, and have been unsuccessful, you should also check:

ELIS Quicklinks <http://www.export.ac.nz/informationquicklinks.html>

ELIS Getting Answers <http://www.export.ac.nz/findinginformation.html>

ELIS Information Sources <http://www.export.ac.nz/elisinformationresources.html>

However if you still haven't found the information/resource you need, please ask for help by emailing us at library@export.ac.nz Include the following in your email:

- A description of the information you are looking for – you can start by writing "I need information on..."
- A short list of any places you have already looked e.g. ELIS Getting Answers, NZTE website etc.
- The Module you are working on

and of course:

- Your name
- Your ID number

Print and file this in your Guide to Study for further reference.
